To support this cause, we are organizing a fundraiser and encouraging students to contribute non-perishable food items to help replenish our pantries. The list is posted in every classroom together with the box for donations. The homeroom class with the most items will receive doughnuts and the homeroom coming in second will get munchkins. The food drive will run from Tuesday February 20<sup>th</sup> to Thursday March 21. Ask for donations from your friends, family and neighbors to create an impact and show support for our community!
