Blizzard Bag – Lessons -- Day One

### Journal Entry

Using a size twelve Comic Sans or Times New Roman font, write or type a one page double-spaced journal entry explaining how you could use Wordle, Voki, and Animoto to enhance a class presentation.

Be sure that your name is on your paper.

In your paper, *explain the features of each one* and *how you could incorporate each of them* in with your assignment.

Also include *where* you would use these...at the beginning, to introduce your topic? Or, in the middle? Or, at the end? Explain your reasoning.
