Blizzard Bag – Lessons – Day Three

## *Essay Assignment*

Think about the pages you've worked on, so far, this year.

Use a size twelve Comic Sans or Times New Roman font, type a one page (or more) double-spaced essay addressing the questions, below.

Be sure that your name is on your paper.

\*\*\*\*\*

Select your three most challenging pages and explain which *one* has been the most challenging for you? Why did this page come to mind when asked this question? What could have helped you work more efficiently on this?

Answer the same questions for two more of your pages.

When writing about all three pages, ensure that you explain your answers, giving examples.
